## & Calendar of Events

February / March 2015

### WHAT'S COOL @ THE LIBRARY

#### Fetch a Good Book!

#### Winter Reading Continues

There's still time to register and join this year's winter reading programs for adults and children. Children can register at the library's homepage and then record the number of days they've read or been read to. Adults can still earn a prize ticket for every book they read or listen to, and enter the weekly drawing for special gifts. The adult program ends on Friday, February 13 and the children's program wraps up on Saturday, February 14. The Friends of the Library sponsor both winter reading programs.

#### Newington Library 5K Challenge

This year marks the 19th running of the library's annual road race which is scheduled for May 17. Applications will be available at the end of March at the library and on the library's webpage.

#### Blind Date with a Book

Go on a blind date with a book! Just in time for Valentine's Day, we'll select a variety of books and wrap them. To meet your date, come to the library between January 23 and February 15, and choose a blind date book. You choose the genre. Will it be fiction or non-fiction? Funny, informative, a mystery, true-crime? You won't know the identity of your blind date until you check it out and unwrap it at home. Return the rating card inside the book before March 20 for a chance to win a prize.

#### Take Your Child to the Library Day!

To celebrate the day, which is Saturday, February 7, we will have crafts and art in the Children's Room all day. At 11:00 a.m., Greg and his dog Axel return to help us make a magical snowman.

Bring your lunch and watch the movie *Frozen* at 12:30 p.m. See inside for more details.

## From the Library Director

As we continue into the new year the library is pleased to offer new online services via the library's website [www.newingtonct.gov/library](http://www.newingtonct.gov/library) to help you achieve your New Year's Resolutions, whether that means learning something new, attending a cultural event or just relaxing and having fun.

Three new online educational services have been added to the library's website that can be accessed both in the library and remotely. *StarWalk for Kids*, is a digital service that delivers eBook titles from a wide variety of well-known children's book authors and illustrators, including a large selection of non-fiction ebooks. *Transparent Languages Online* is a comprehensive online learning solution for library patrons with a Newington library card. Over 80 different languages are available including 24 ESL courses. And finally *Lynda.com*, is a 24-hour access to free online technology tutorials. Create an account with your Newington library card and watch step-by-step videos on how to use the latest technology, software, and apps, including everything from GoPro to Photoshop, Microsoft Excel and Word to CAD, podcasting, and using your Kindle, to management and QuickBooks.

Printing museum or attraction passes on demand is a new feature of our museum pass program. Many of our museums now allow print-on-demand, which means that you are able to printout the museum pass from home or a local printer. These passes do not need to be returned. Simply make your reservation, print the pass, and you're good to go! The library, through the generosity of the Friends of the Library, is able to purchase 29 museum and attraction passes for patrons to check out that offer free or reduced admission on the day of use. This service offers a more convenient way to access the passes and there is never an overdue fee because the pass is only good to use on the day of the reservation.

And finally, the library is pleased to offer a new digital streaming service called *Hoopla Digital*. With *Hoopla*, patrons with a Newington library card, have access to thousands of movies, television shows, music albums and audiobooks, all available for mobile and online access. It is very easy to set up and can give you hours of viewing and listening enjoyment. So, try out and enjoy these new services and as always if we can help you in any way please call us at 860-665-8700 or email us at [refdept@newingtonct.gov](mailto:refdept@newingtonct.gov).
